NOTICE OF AUTHORIZATION TO APPLY THE UL MARK

December 5, 1989

Won-Door Corporation  
Mr. Carl Goodman  
1865 South 3480 West  
Salt Lake City, UT 84104

Our Reference: File R6799, Project 89NK25893

Subject: Addition Of Vision Panel

Gentlemen:

We have completed our engineering investigation under the above project number and find the product complies with the applicable requirements.

This letter temporarily supplements the UL Follow-Up Services Inspection Procedure and serves as authorization to apply the UL Classification Mark to the above product which is constructed as described below:

According to your letter dated October 26, 1989, copy attached.

To provide the manufacturer with the intended authorization to use the UL Mark, the addressee must send a copy of this Notice and all attached material to each manufacturing location.

This authorization is effective for 90 days only from the date of this Notice. Records covering the product are now being prepared and will be sent to you in the near future.

Products produced which bear the UL Mark shall be identical to those which were evaluated by UL and found to comply with UL's requirements. If changes in construction are discovered, authorization to use the UL Mark may be withdrawn and products that bear the UL Mark may have to be revised (in the field or at the manufacturer's facility) to bring them into compliance with UL's requirements.

We have opened a direct billing Project 89NK25893, File R6799 with an engineering cost limit of \$600.00 to provide for the engineering time involved in reviewing the alternate design and revising the appropriate Follow-Up Service Procedures. Our Accounting Department has been advised that the work has been completed and that you should be furnished with the appropriate invoices.

Very truly yours,
